

# Football Federation South West High Performance Centre presents...

## The FUNdamentals of Football for 6 – 8 year olds

- Designed to give the young player a structured and rewarding football experience where the emphasis is on many touches of the ball which helps develop their confidence and game sense awareness. Each session will provide a fun learning environment and will prepare the player for their further development within the High Performance Centre.
- The FUNdamentals of football program will run over 7 weeks throughout term 2 of school and will be based on fun whilst focusing on the key skill elements of the game. .

**Program to commence  
Busselton-Mon 3<sup>rd</sup> May  
Bunbury – Tues 4<sup>th</sup> May**

## Squirt Soccer For 3-5 year olds

- Welcome to Soccer Island.  
A place designed to develop the fundamentals of football for 3-5 year olds. It is an island of adventure, excitement and fun games, but the best bit about it is that everything is learnt within a child's environment. Nursery rhymes, songs and imaginative stories, the program will guarantee an excellent learning environment whilst introducing football to the player.
